

VOLUSIA COUNTY GUN & HUNT CLUB

Subgun Sunday/PCC Match

I wanted to invite everyone to our Subgun Sunday/Pistol Caliber Carbine match the **5th Sunday of the month** at the Volusia County Gun & Hunt Club. Anyone with a Subgun or Pistol Caliber Carbine may shoot. If you only have a pistol, bring it we will let you shoot. Please help spread the word out to other shooters that may not have received this email by forwarding it on.

Our match will consist of 4 bays. The bays will have some awesome layouts with lots of targets requiring accuracy, trigger control, and cunning. There is no telling what we might be shooting at, hanging steel plates (rounds, squares, and diamonds), falling plates, pepper poppers, Texas Star, plate racks, paper targets and whatever other devious things we can come up with. There will be no shoots and plenty of style points available. One of the bays will have a subgun staged in the bay with ten rounds in the magazine which can be used to neutralize the 1-3 designated targets. This is not a requirement. This is so everyone has a chance to shoot a subgun.

We want everyone to have a blast and want to come back and bring a bunch of their friends but safety comes first over everything else. You can go to our YouTube channel to see videos of subgun matches.
